

REACH COMPLIANCE STATEMENT

KEN HYGIENE SYSTEMS A/S herewith declares that all of our products are manufactured in compliance with the current regulation (EC) No 1907/2006, REACH.

We declare that our products do not contain any substances listed on the ECHA candidate list. In addition, our sub-contractors and component suppliers are contractually obliged to provide us with detailed material data sheet including all the substances they contain, in order to check REACH compliance at any time.
