

The KEN Foundation

Donations application form

We are committed to giving back to our local community, through donations aimed at urban renewal and local public health initiatives. Additionally, we extend our support to national and international organisations with charitable objectives.

Since 1986, the KEN Foundation has contributed to NGOs such as Doctors Without Borders, the Red Cross, and initiatives targeting The Danish Cancer Society. In 2023, our donations supported the Danish Hospital Clowns, as well as the Danish Refugee Council's efforts in Ukraine and the famine crisis in the Horn of Africa.

Applicants are typically NGO's, national and international organisations with charitable objectives. We encourage anyone to apply the foundation, if you have a project or cause - relevant to our local area or within the public health field.

All applications are assessed twice a year at select board meetings. All applicants will be informed with an answer regarding their application.
